UNIFORM POLICY

Uniforms are to be worn by all students. This promotes school identity, a sense of belonging, and assures that all students are appropriately attired.

The PTO maintains a uniform supply based on the honor system for families who would like to donate gently-worn uniform items or borrow items; it is located in the school office closet.

Jumpers, kilts/skirts, and logo items (sweaters and vests) are the only items that must be purchased from Flynn O'Hara: www.flynnohara.com.
